

MIGHTY 400

Item# F-MTY400

400 lb weight capacity
Up to 12" deck to water

The new Mighty series is UL certified to meet pool lift safety standard 60335-2-1000. It was designed for in ground anchoring and an ideal lift for easy and affordable ADA compliance.

The Mighty series features an adjustable height seat pole allowing 6" of additional adjustment in 2" increments. This series provides versatility and accessibility solutions with greater water drafts and a setback up to 44".

In addition the Mightys' can rotate 360 degrees in either direction. Designed for in ground anchoring, the Mighty series will accommodate existing "standard" Scout 2 and Revolution concrete anchors. Created for its adaptability, the Mightys' can be purchased with a pedestal for additional wall clearance or unusual gutter profiles. Pedestals come in 1', 2', 3', and 4' options.

The Mighty series is ideal for easy and affordable ADA compliance. US Patent Pending.

All lifts come standard in white with blue seat and footrest. Additional color options are available for both plastics and powder coat.
