

RANGER 2

PRO POOL SERIES

ITEM # F-RNGR2

U.S. Patent No. D507,769S

ABOUT

Perfect for smaller pool facilities and backyard pools, our #1 selling Ranger 2 features a sleek design, and offers effortless independent operation for the user.

This non-rotating lift glides you to your destination in a single out-and-down motion. Thoughtfully built with stainless steel durability and seamless application, the Ranger 2 brings you the dependability and security you can expect from all Aqua Creek products without the bulk of other larger lifts. With its smaller footprint and field reversible design, it's easy to see why the Ranger 2 is such a popular solution for any pool's access needs. Complete with flip-up arm rests and the best warranty in the industry, you also have the freedom to customize your lift in a variety of color options!

FEATURES:

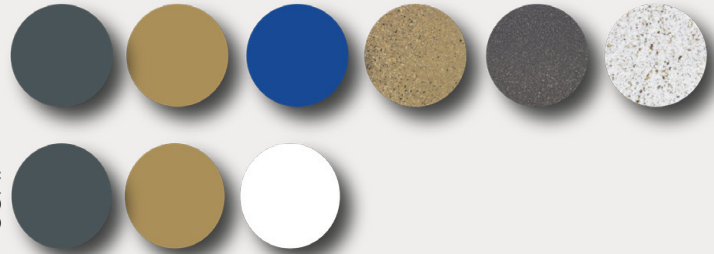

- ADA Compliant & UL Safety Certified
- 350 lb (158 kg) weight capacity
