

Fire Pit Natural Gas Installation Kit with Chrome Key Valve

Product ID: AFG-FPIK-N
Weight: 7.6500 lbs
Manufacturer: American Fire Glass

Fire Pit Natural Gas Installation Kit with Chrome Key Valve

Setting up a brilliant outdoor fire has become easier than ever these days with American Fireglass' DIY fire ignition kits!

If your customers already have an outdoor fire pit or channel burner, the only additional piece of equipment they require to get their fire going is our natural gas fire pit installation kit. For use with natural gas supplies only, this fire pit installation kit is very easy to use and includes a stationary key valve which is also compatible with barbecue islands or fire pit tables.

Our natural gas fire pit installation kit is perfect for both outdoor fire pits or fire pit tables and is both heat and scratch resistant which makes it extremely durable.

The kit comes complete with:

Two 3/8" black hoses

One 1/2" key valve

Necessary fittings
