

PREMIUM C9

Dimmable LED C9 Bulbs

Premium C9 bulbs feature SMD LED technology and are the perfect complement to your holiday lights! SMD technology produces bulbs that are bright and last longer while still maintaining exceptional durability and energy efficiency. Cast a vivid glow across your roof, along a fence, or down the driveway to create a festive holiday light display.

FEATURES

- E17 intermediate base with durable plastic lens
- Available in faceted, transparent, and opaque versions
- Dimmable with most CL and LED dimmers
- 120V AC operation - 0.8W per bulb - 50,000 hour rating
- UL listed and CSAus for indoor and outdoor locations
