FEATURES

The MAHC-I Series retrofit grating is an expandable replacement drain cover system starting with this 18" x 36" base kit

Use expansion kit R1836Exxx, sold separately, to increase the size of the R1836xxx to retrofit 18" x 54", 18" x 72" covers, or any drain size larger than 18" x 36" in 9" increments

Manufactured from superior UV-resistant PVC polymer

#316 Stainless steel screws, with brass inserts and brass concrete anchors

Trademarked VGBA compliance button easily identifies VGBA 2017 compliant cover from on deck and underwater

Online product support including specifications, General Certificate of Conformity, installation instructions, and more

Replace 9" x 18" grates and support every ten years from the date of installation

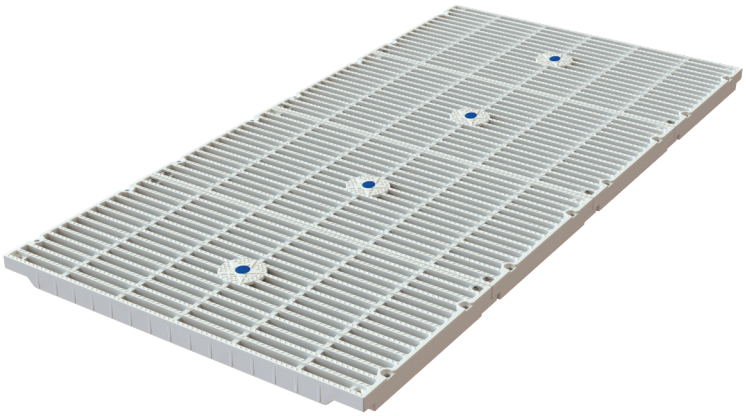

NSF Certified, Listed and Labeled

1 per case

MAHC-I
AquaStar Commercial Grade SERIES

Commercial Retrofit Cover Unblockable!

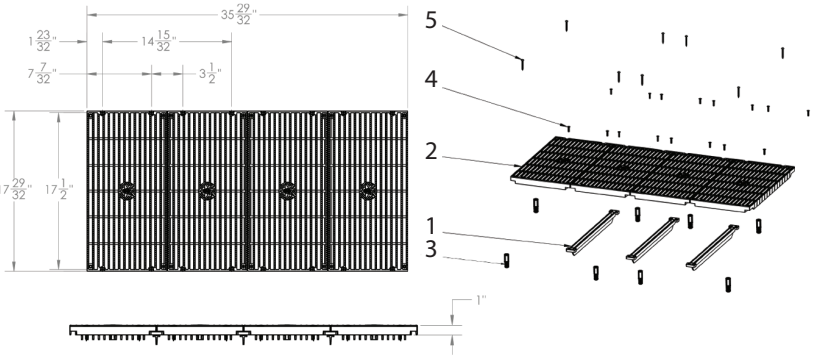

VGBA 2017
