

Cartridge Filters

New or Aftermarket Pools & Spas

Our Aquapro series of highly effective cartridge filters will clean your pool down to 20 microns. Our compact designs, along with maximum filtering capability, will reduce maintenance time needed and make your pool pad look sharp! Aquapro's advantage is our superior designs & maximum hydraulic flow working in unison with the filter element for efficient performance.

- Corrosion resistant, reinforced thermoplastic tank for long life
- Ultra-fast maintenance! Quick-lock seal & large drain plug
- Multiple sizes to fit your family's needs!

Cartridge Filter Features

- Quad cartridge elements provide extra dirt-holding capacity & superior flow
- EZ-Read pressure gauge
- Unionized 2" connectors
- Heavy duty double-hinged clamp assembly
- Corrosion resistant, reinforced thermoplastic tank
- Clear plumb IN-OUT for simple install
- Large drain plug, and simple design for fast installation

Simple Design, Easy to Use

Set it and forget it!! Our Aquapro Series of environmentally friendly cartridge filters will provide maximum dirt and debris removal, with very little maintenance.

Model	Flow Rate (GPM)	Height	Width	Cartridges Per Filter	Sq. Ft.	Turnover 8 Hrs 10 Hrs
