PURA 4XT

INNOVATIVE DESIGN – WITH TOP ACCESS BASKETS

FEWER CHEMICALS AND A HEALTHIER CLEAN.

The PURA 4XT is designed to clean residential, above-ground pool floors. Thanks to the patented Hydro-Robotic Technology, the PURA 4XT propels through the water to automatically brush, vacuum and micro-filter dirt, debris and contaminants.

The PURA 4XT is equipped with fixed brushes (underneath the cleaner) to agitate algae and film on surfaces. It helps loosen stubborn dirt and debris for optimal cleaning. This cleaner is also equipped with an adjustable axle pin to help maximize coverage and prevent cable tangling.

Both the 2 Year Full Warranty and a power supply that is programmable to use with an External Timer are exclusive features found on our Brick and Mortar products!
