Clever Design. Dual Purpose.

Flush mounted, no unsightly adaptors.

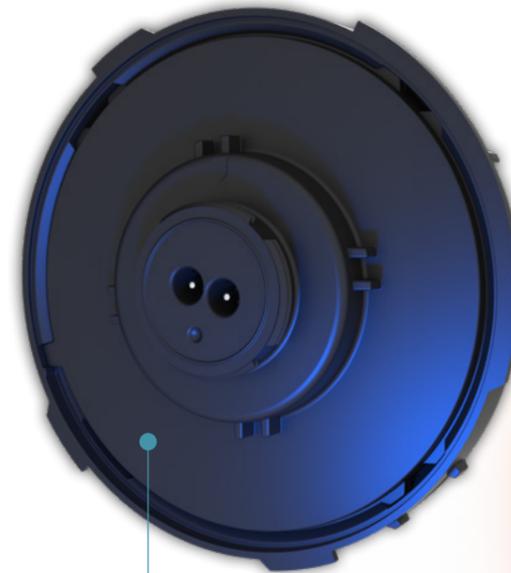

AGRX R3

Available in Clear,
White and Grey

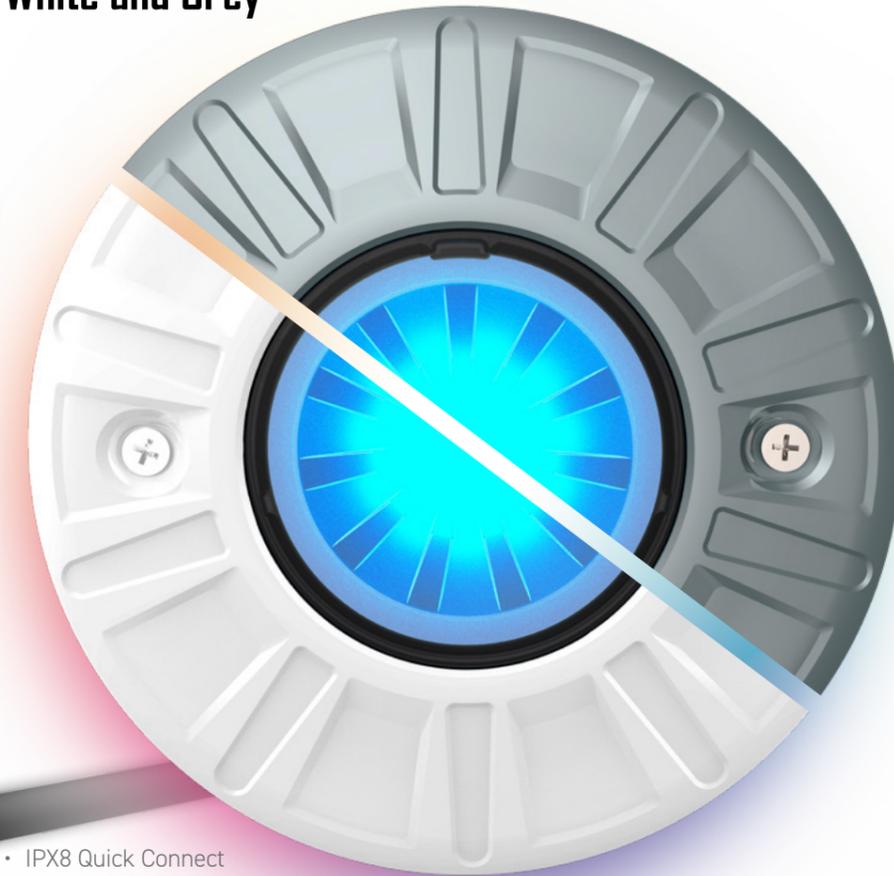

Replaces Astral SLX

A super-slim fascia and custom bracket allow the AGRX R3 to mount flush to the pool wall, preserving a clean, modern look.

• Extra Safe Low Voltage 12VAC

• IPX8 Quick Connect Plug

Quick Connect Plug

The AGRX Quick-Connect™ plug supports cables from 4.5 mm to over 10 mm, so there's no need to replace existing cables in most cases.

Connecting to the existing pool light cable in the niche, the IPX8 Quick Connect Plug keeps water out, and the plug-and-play design means your light is easy to install and effortless to maintain.

More with MULTIPLUS

The AGRX R3 provides superior illumination, powered by the MULTIPLUS RGB+W LED array for vivid colours and crisp white lighting for your pool or spa.

Replaces Aquaquip EVOMAX

Simple and elegant design that perfectly replaces an existing EvoMax in minutes. Only requires 2 screws to attach to existing mounting point.
