CLEAREX 500
POOL & SPA BRIGHT'N
CLEAN WATER CLARIFIER**

Go from cloudy to crystal clear, **FAST!**

User friendly and safe

Non-toxic, non-corrosive,
non-flammable, non-carcinogenic,
and hypo allergenic

Unaffected by chlorine and effective
at all pH values

**One bottle treats 224,000 gallons of
pool water (2oz treats 14,000 gallons).**

Clearex 500 creates crystal clear, polished water. This product is especially helpful after dust storms, algae treatments, phosphate removal treatments or anytime outstanding water clarity is desired. Use as often as desired as there are no adverse affects and will not clog filters or create a mess that needs to be vacuumed up.
