Scan to Activate Intelligent Lighting & Download the APP

2

Download APP:

OR search "Brilliance Smart" in the APP store.

3

Operating Instructions:
Make sure the Smart Socket and your phone are connected to the same 2.4ghz Wifi router.
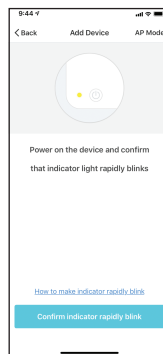

STEP 1: Register by phone #

4

STEP 2: Configure
A. Connect the Smart Socket to the transformer.
B. Press and hold the button for 5 seconds until it flashes quickly, which means ready for configuration.
C. Select "Add Device" or "+" in the upper right-hand corner. To choose your device, select "Electrical Outlet."

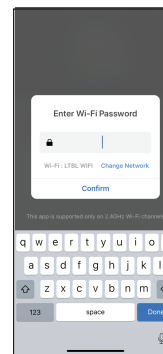

5

**D.** Select "Confirm indicator rapidly blink" and connect to your Wi-Fi; select "confirm."
E. Wait until configuration is 100% successful.
F. Now you are ready to use your Smart Socket.
＊＊If this fails, press and hold ON/OFF button for 5 seconds to reset, and repeat C-F.

6

THANK YOU
& enjoy your new WiFi Smart Socket 2!
