

# BLACK DIAMOND MR16 WELL LIGHT

## DESCRIPTION

The Black Diamond MR16 Well Light comes in two top variations: flat glass or grate. Both the flat glass and grate tops come in solid brass black or bronze (BZ) finish. It is available without a lamp or with an MR16 Ecostar (4W 2700K 30° 350 Lumens). This well light is fitted for any of our MR16 lamps and really comes to life with the Chameleon MR16 for RGBW applications.
