

BRING YOUR POOL & SPA

BACK TO LIFE

THE WORLD OF REPLACEMENT LED LIGHTING JUST GOT A WHOLE LOT BRIGHTER

The Vivid 360 Replacement LED is engineered to replace most existing pool and spa lights to deliver more colorful and vivid lighting than ever before. Whether you need to replace a broken light or you just want to upgrade to a more colorful brighter LED light, Vivid 360 is the preferred choice of pool owners and industry experts alike.

- More brilliant than “typical” pool lights
- Available in solid white, solid blue or multi-color
- Pentair, Hayward and Jandy compatible
- Replaces most existing pool & spa lights
- Safer, low-voltage more energy efficient solution

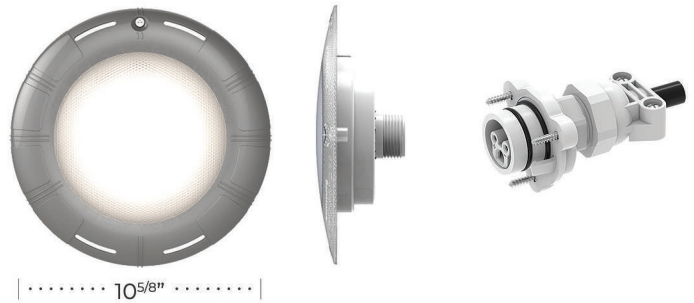

Vivid360
POOL & SPA REPLACEMENT LIGHTS

IMAGINE MORE COLOR AND VIVID LIGHT THAN EVER BEFORE

- Replacements for pool, spa, and nicheless lighting (also replaces fiber optic)
- Use existing lighting cable and our patented quick-connect fitting in most cases
- Our famous quick-connect fitting makes Vivid360 “the most reliable, service-friendly replacement LED on the market”
- Public and semi-public commercial pool compatible
- Time tested technology and proven reliability
- Adjustable tab system fits most lighting niches including Jandy®, Hayward® and Pentair®
- Saves pool owners and service professionals time and money with product warranty, durability and service-friendly design
- Leading pool professionals nation wide have called Vivid 360 “the complete solution for historical problems with nicheless lighting”.
- Replaces both 1'-1/2" nicheless lights and fiber optics
- 12-14 volt transformer required for all of our low-voltage lighting.
