

The Lite Star is designed to highlight the unique finish and shape of pools, spas or fountains at any depth. It allows up to 20 degrees of light-angle adjustment and is energy efficient. With new construction and retro-fit options, this line is ideal for builders and service.

Light Color	Lumens	Power Consumption	Incandescent Equivalent
<b>ALL LIGHTS OPERATE FROM 12V AC - 14V AC POWER SUPPLY</b>			
<i>UL Listed for installation with the top of the luminaire lens not less than 4" below the normal water level of the pool.</i>			
Blue	420 Lm	9 Watts	90 Watts
White	1870 Lm	9 Watts	90 Watts
RGBW (held on white)	630 Lm	17 Watts	170 Watts

### FACE PLATE COLORS

White & Light Gray

### RGBW LIGHT COLORS

Blue, White, & Multicolor

### CORD LENGTHS

50 ft., 100 ft., 150 ft.

### Quick Connect Plug

We're making new construction and replacement lighting easier with our Quick Connect Plug. The Plug simply plugs into the rear of the light and hand-tightened into position - without the use of tools.
