

ILLUMINATE YOUR NIGHTS WITH

# GALAXY BRITE

## POOL LIGHTING FOR THE 21ST CENTURY

*GalaxyBrite*, the latest innovation in pool lighting, combines advanced technology with sleek design to bring unparalleled brilliance and efficiency to your pool

### Simplified SKU Management and Programming with NFC (Near Field Communication)

Multi-Programming Light: Integrates Pentair, Jandy, and Hayward programming into one versatile multicolor light

- Customizable White Lights: Adjust from cool white to warm white and dim to your preference
- Blue-Only Light: Adds color without the need for automation
- Easy programmability by use of the GalaxyBrite app on their smart phone

### Dynamic Color Options and Syncing

- MultiColor lights feature RGBW technology for a full spectrum of colors.
- RGBW lights designed to stay in sync when paired together in pool.

### Customizable Trim Rings

- Choose between Clear and Chrome Finish

### Superior Brightness

- Enjoy 25% more lumen output for a brighter, more vibrant pool

### Versatile Installation

- Screw and Tab System: Compatible with Blue Square niches.
- Hooked Niche: Simplifies installation at rebar.
- Flexible Niche Ports: Allows for rear port or side port installation

### Overmolded Plug - Ideal for new pool construction

- 14 AWG Cables - Ensures durability and reliability for all lights.

### Retrofit Capabilities - Cut the Cord, Don't Pull It!

- Retro plug kit available for seamless integration with existing cords.

**RETRO PLUG KIT CUT THE CORD, DON'T PULL IT**

Part #GBPK

The unique waterproof Plug Kit is factory fitted to the supply cord, and allows for simple connection and detachment to the rear of the light. For pool remodels, this means that the light can be safely stored away until the pool renovation is completed-thus protecting it during pool construction.
