INTELLICENTER®

POOL CONTROL SYSTEM

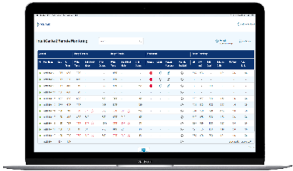

Automation done right.

IntelliCenter Pool Control System is the most versatile Pentair automation system, delivering better-than-ever technology you can trust. Easily expandable, this system is here to make your job easier than ever.

EASY SETUP AND MAINTENANCE

Color touchscreen, setup wizard, and over-the-air (OTA) updates get you out of the backyard faster.

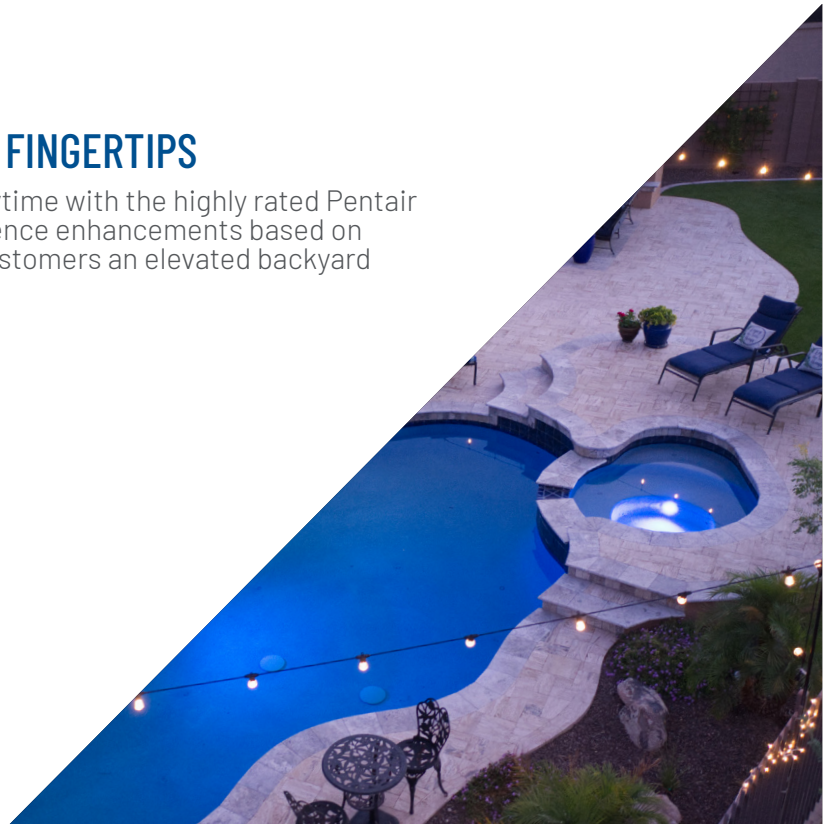

REMOTE MONITORING

It's your eye in the sky to grow your efficiency and customer loyalty. Make fixes remotely before it becomes an issue requiring a service trip, or know before you go with the right parts.

PEACE OF MIND AT YOUR FINGERTIPS

Pool control from anywhere, anytime with the highly rated Pentair Pool app. Continual user experience enhancements based on customer feedback give your customers an elevated backyard experience.
