

SpaMASTER™

2" INSIDER GUNITE JETS

CMP 2" Insider Gunite Jets are the latest in our growing line of Spa Master advanced spa systems for in ground pools. This is the first gunite jet system that installs with more common 2" pipe, instead of 2.5".

The 2" Jet Internals are a superior design: choose from multiple high-end finishes, and multiple orifices to maximize flow.

Pool professionals trust CMP to be the Gunite Jet Experts.
