

LOKKLatch®

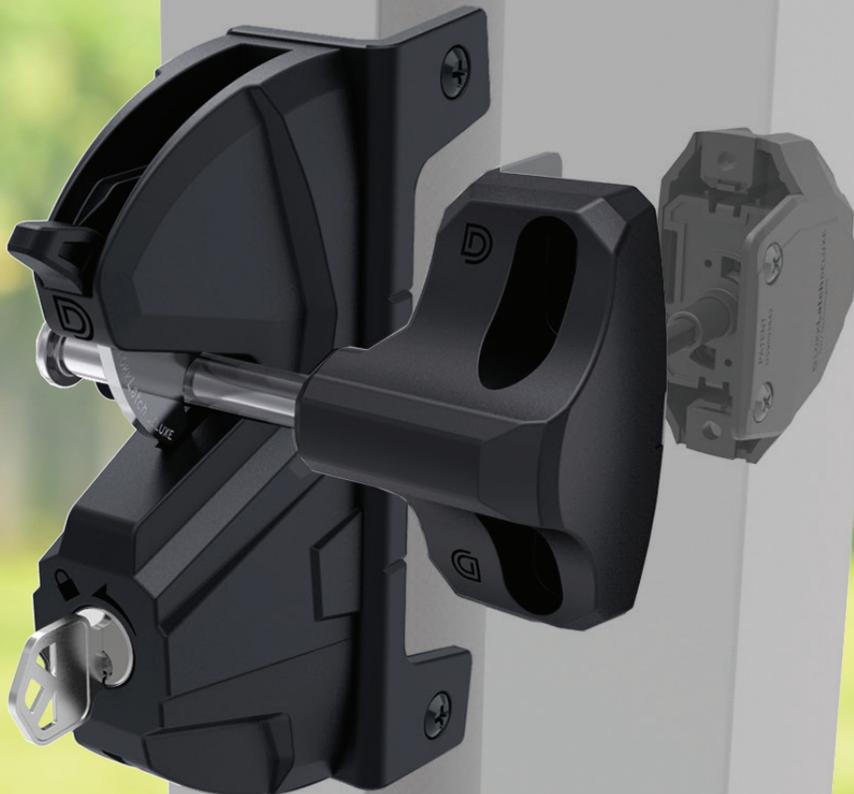

DELUXE³

Premium privacy and security gate latch with external access

NEW SERIES 3 DESIGN!

Stylish & modern
Bigger & stronger
Easier to install

Fits left or right mounted gates

Keyed alike or keyed different

Key lockable latch for any square-post gate

Vertically & horizontally adjustable

Operates & locks from both sides of gate

Revolutionary, patent-pending snap-fit connector rod provides a quick connection to the external access button (EAB) for reduced installation errors (5" & 6" rods included)

Dual 6-pin locks; can be rekeyed (by a locksmith) to match doors etc.

Industrial-strength polymer construction – as strong as steel

316 marine-grade stainless steel components

Patent-pending mounting bracket acts as a drill template for simple & quick installation

Fits fence posts 1½" – 6" (38–150mm) deep

KEY LOCKABLE LATCH WITH STRIKER BOLT

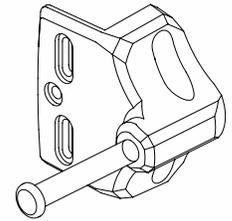

KEY LOCKABLE EXTERNAL ACCESS BUTTON

AVAILABLE IN WHITE
