

ECHO

X SERIES

SRM-3020 TRIMMER/BRUSHCUTTER

CLASS-LEADING POWER AND PERFORMANCE

Unique combination of engine size, horsepower and gear ratio provides superior cutting performance. Available in three versions to best meet specific job requirements.

SRM-3020U

PROFESSIONAL HIGHLIGHTS

POWERFUL 30.5 CC ENGINE WITH 1.8 HORSEPOWER

- **Hot restart capability**
 - Engine design inhibits hot air from reaching carburetor for reliable starts
- **Two-stage air filtration**
 - Large surface area prevents debris from getting into engine
 - Extends filter maintenance intervals
- **Speed-Feed[®] 450 trimmer head**
 - Improves efficiency with maximum line capacity
 - Comes with professional-grade Black Diamond[™] line

20" cutting swath

- Increases productivity compared to the competition

Tool-less air filter cover

- Easier to perform regular air filter cleaning
- Thumbscrew fasteners provide tight seal
