Stays in place for butterfly, breaststroke and freestyle, including flip turns

Adult Yellow (50)

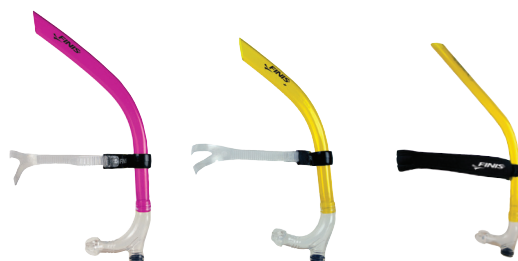

Adult Pink (112.50)

Junior (48)

Youth (44)

V02 MAX

Increases aerobic capacity

PRODUCT DESCRIPTION

The Swimmer's Snorkel allows swimmers the ability to focus on stroke technique without the interruption of turning the head to breathe. A silicone purge seat allows water to flow out of the snorkel without entering the tube. The center-mount design accommodates a full range of motion for butterfly, breaststroke and freestyle. Eliminating the need to breathe allows swimmers to relax in the water, maintain body alignment and improve stroke efficiency.
