

FEATURES & BENEFITS

Studio Image(s): Front and side view of Zoomers® Gold

IMPROVED FOOT POCKET

Formulated with soft natural rubber for increased comfort

ALL SKILL LEVELS

Appropriate for fitness and competitive swimmers to build cardiovascular conditioning

BUILD LEG STRENGTH

Strengthen leg muscles for added speed and endurance

SHORT BLADE

Promotes shorter and faster kicks while experiencing propulsion through the water

CLOSED HEEL DESIGN

Creates a soft and secure fit and inhibits hyperflexion

BLADE ANGLE

Fin blade aligns with the natural angle of the foot, promoting a proper kick

ANKLE FLEXIBILITY

Increases flexibility and range of motion for a more efficient kick

NATURAL RUBBER

Provides a secure and comfortable fit

PRODUCT DESCRIPTION

The Zoomers® Gold fins provide an improved foot pocket formulated from soft natural rubber for increased comfort. The short blade encourages shorter, faster kicks for additional propulsion through the water. The Zoomers® Gold Fins are an ideal training fin for cardiovascular conditioning and speed training.
