

Antifoam

Fast-acting foam-reducing formula

People, pet & plant friendly

Safe and easy to use

Orb-3 Antifoam is a natural water-based emulsion that provides long-lasting defoaming persistence. Its food-grade ingredients simply cause water to go “flat” by lowering its interfacial surface tension and dispersing gasses.

The fast-acting formula quickly knocks down ugly foam, making this kind of upset easy to prevent and control in pools, spas, and water features.

Available In	Treats Up To	SKU/Re-Order Number
1 Gallon	320,000 Gallons	Single: T422-000-1G Case of 4: T422-000-4x1G
