Broad Description:

The SW17 Slide is a sturdy, durable roto-molded slide with finished exterior. The SW17 is available in Sandstone or Grey Granite finishes and has the option of an LED flume lighting package.

Utilization:

The SW17 is intended for in-ground residential swimming pools only. Our multi-point anchoring system allows the SW17 to accommodate most geographical regions. The slide is rated for a maximum of 300 lb. (136 kg) for its riders.

Specifications:

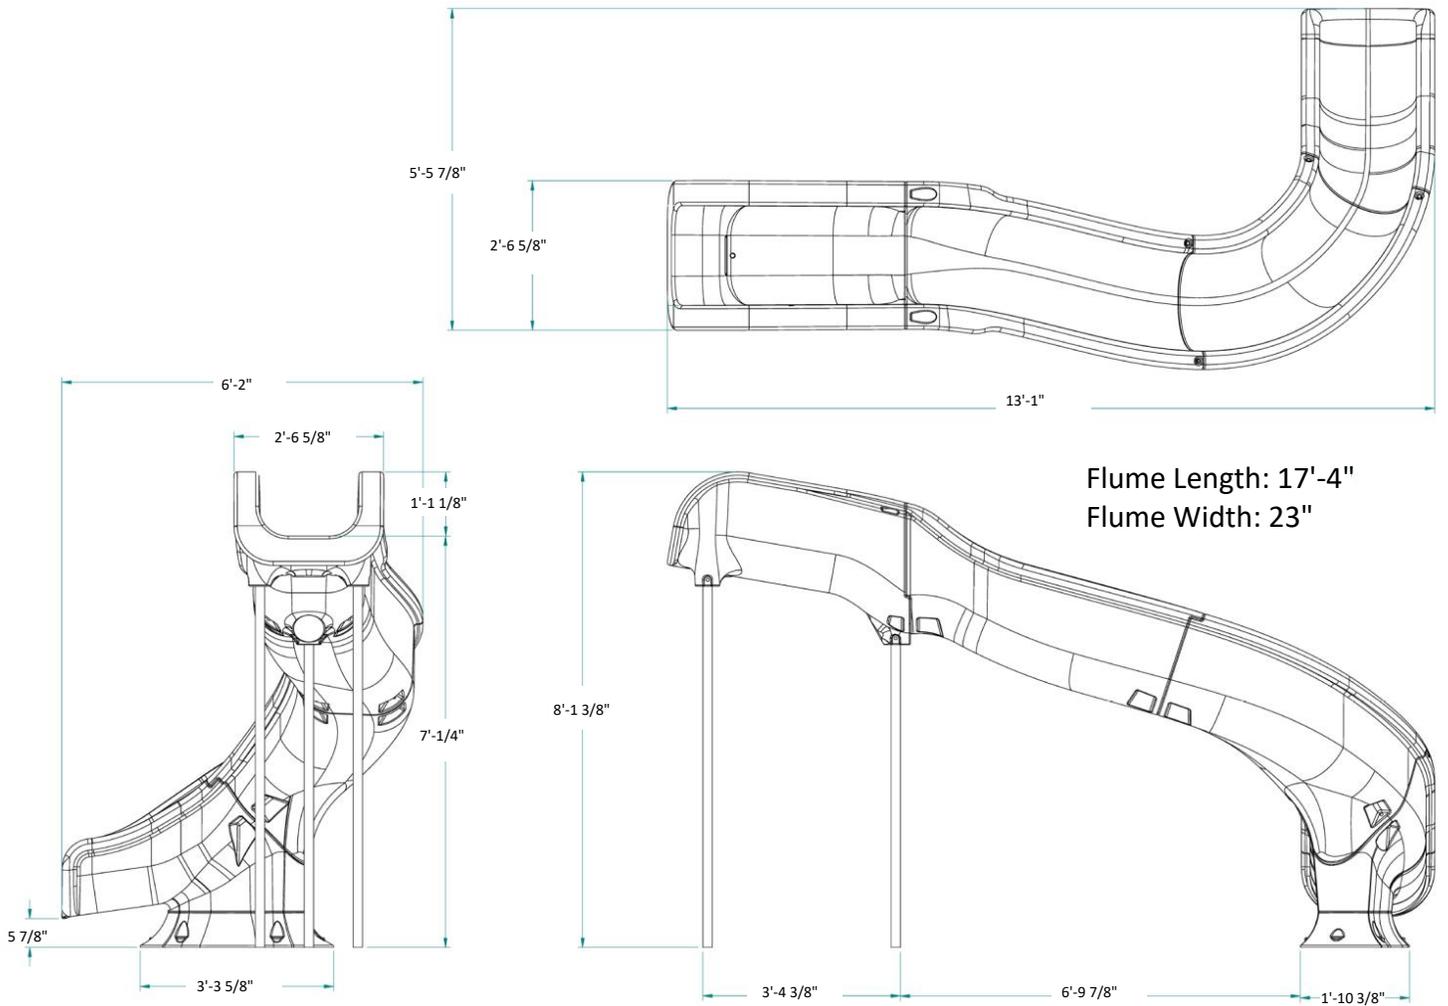

- § The slide runway has a twenty-three (23) inch wide seating area made of a thick, durable roto-molded plastic.
- § Water is delivered with a 1" PVC hose to allow maximum water coverage on the flume at 25 gpm.
- § The SW17 is anchored to the pool deck with ½" diameter stainless anchor studs with attaching hardware.
