

Vari-Flo™ XL

MULTI-PORT CONTROL VALVES

WHITE GOODS

Hayward's Vari-Flo XL multiport control valves, made of reinforced thermoplastic material and engineered for maximum flow, are the professional's choice in multiport valves.

All Vari-Flo control valves feature an easy-to-use lever action handle that lets you "dial" up to seven valve/filter functions: filter, backwash, waste, rinse, closed, winter or recirculate. Complete with an integral sight glass that lets you see when the backwashing cycle is completed, our wide selection of valve configurations allows you to match the right Vari-Flo valve to the proper application; residential, commercial, top-mount or side mount.

Vari-Flo™ XL Features

- Reinforced thermoplastic material meets the demands of the toughest applications
- Hydro-engineered to provide superior flow at lower pressure drops, resulting in more efficient filtration at equivalent horsepower
- Rugged off-set ports for easy plumbing
- Ergonomically designed handle allows for simple dialing of the various valve positions
- Built-in sight glass for convenient backwash viewing
- Injection molded Noryl Valve Key Assembly, with molded gasket for a continuously reliable seal

Specifications

Model	Pipe Size	Mounting	Positions	Filter
SP071621	2" FIP	Top	6	Sand
SP0714T	1½" FIP	Top	7	Sand
SP0715ALL	2" FIP	Side	6	Sand or D.E.
SP0715X62	2" FIP	Side	6	Sand
SP0710XALL	1½" FIP	Side	6	Sand or D.E.
SP0710X62	1½" FIP	Side	6	Sand
SP0740DE	2" SKT	Side	4	D.E.
SP0715XR50	2" FIP	Side	6	D.E.
SP0710XR50	1½" FIP	Side	6	D.E.
