

SUPER TRUSTED, SUPER FLOW, SUPER FIT II.

Super Fit II VS 1.5hp

Variable Speed Pump

With a compact design, the Super Fit II VS delivers energy efficiency whilst remaining whisper quiet.

HAYWARD
We Build Better.™

Super Fit II

Variable Speed Pump

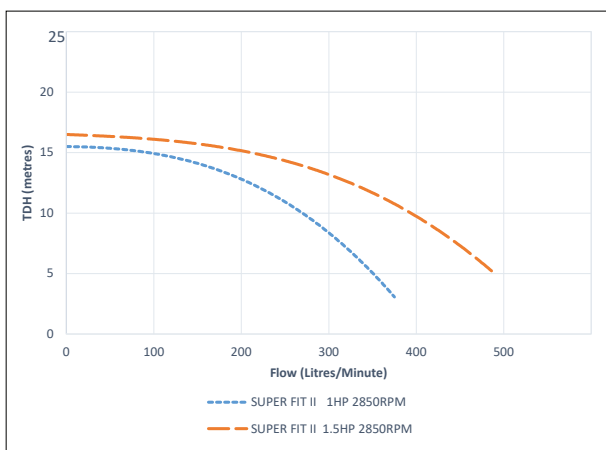

***2 years + 1 year** if purchased from a Totally Hayward Partner.

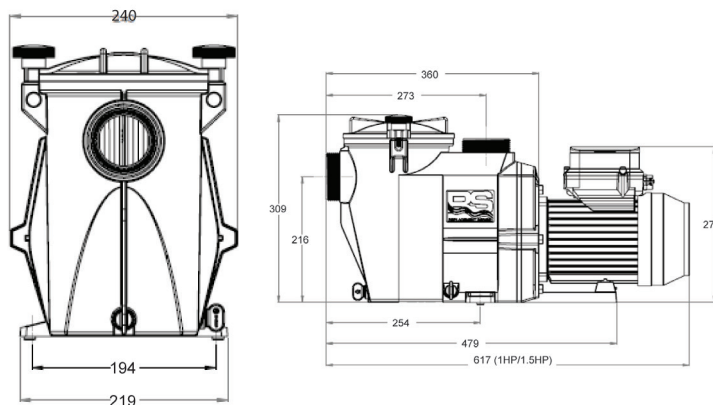

- **Fully variable speed motor** saving energy and wear on pool equipment.
- **Compact design** with significantly smaller foot print than other Hayward pumps.
- **Whisper quiet operation** allows users to enjoy their pool time in peace.
- **User friendly programming** makes set up simple.
