XE Power Ends

XE Series Pump Motors

THE EASY ANSWER FOR SINGLE-SPEED PUMP MOTOR REPLACEMENT

THE EASY ANSWER FOR SINGLE-SPEED PUMP MOTOR REPLACEMENT.

The full lineup of Hayward XE Pumps is built to deliver maximum energy savings while cutting equipment costs. Even when it's time for a new motor, there is a full lineup of XE Power Ends to replace the motor while avoiding the cost of an entire pump. Replacing the power end saves time and money, and it does not require any cuts to plumbing or removing the wet end of the pump. This simple replacement process gives pre-existing single speed pumps a new XE motor with minimal hassle, minimal cost, and maximum benefit.

Why XE Power Ends are the easy answer:

- » Easy way to get variable-speed benefits without variable-speed cost
- » Dual voltage capability offers versatility for installation
- » Smaller and lighter than single-speed replacements
- » We took the guess-work out of finding the compatible replacement
