

SuperPro™

>> >> SUCTION CLEANER

ULTIMATE CLEAN, UNPARALLELED SUCTION

The SuperPro automatic suction cleaner features patented technologies that deliver the best surface clean. Self-adjusting turbine vanes ensure maximum suction power even at lower flow, as well as effortless clog-free cleaning for peace of mind.

Technical Specifications

Hose Length	9.7m
Pool Size	Up to 4.8m x 9.7m
Pool Surface Compatibility	Concrete, Gunite, Vinyl, Fibreglass,* Tile,* Pebble
Minimum Pump Size	3/4 HP or 30 gpm
Drive Sequence	Turn every 2.5m - 3m
Warranty	3 Years

Item Code: AC-HPCS23GSTAU

Features and Benefits:

- **3 Year warranty**
- **Clog Free Cleaning:** SuperPro features patented self-adjusting turbine vanes, flexible vanes ensure maximum suction power at any flow with no clogging.
- **Never Loses Suction:** SuperPro has a patented adjustable roller skirt that never loses suction on uneven surfaces and when encountering obstacles.

Optimal Suction at Virtually any Flow:

3 interchangeable throats allow optimization of suction performance at lower flow and larger debris passage. As such, it is the ideal suction cleaner for use with variable speed pumps.

Small Throat:
For optimal suction with lower flow rate and smaller pump; can be used with variable speed pump at lower speeds.

Medium Throat (Default Throat):
Default throat is ideal for almost all average pool filtration systems and installations.

Large Throat:
For optimal suction with higher flow rate and larger pump; can be used with variable speed pump at higher speeds.
