LIGHTING

Total System: Pumps | Filters | Heating | Cleaners | Sanitization | Automation | **Lighting** | Safety | White Goods

The ProHayward 3670 Nicheless light is fitted with a 100 bright LEDs in 12V/4.5W to provide dazzling pool lighting. The 3670 light provides 17 color changing programs controlled through the off/on switch of the pool light. Water flows through the rim to help eliminate stagnant water and provide effective cooling for the light housing to assure longer LED lamp life. The light is easily mounted onto a rugged bracket for simple installation. The ProHayward LED Nicheless light has 3.4 meters of cord and features a rugged clear polycarbonate lens. The light conforms to IP-68 and is manufactured of rugged ABS with UV protection.

The ProHayward 3670 LED Nichless light is an excellent value choice in color changing pool lighting by providing ease of installation and dependable performance.
