Quality Features

- Rugged 8" steel top rails and 8" steel verticals in a earth-tone color.
- Available in 52" pool wall height.
- Pool can be buried up to 24" while backfilling with dirt.
- Corrugated pool wall for flexibility and vertical strength.
- Max-Lox Wall Closure offers a newly-designed fastening system for maximum strength, greater wall stability, and a faster, easier assembly.
- Large, pre-punched skimmer and eyeball return openings eliminate sharp edges that could cut the liner during installation.

Optional Upgrade

In-Wall Entry Step System

The Windsor Falls offers an In-Wall Step to provide a more elegant pool entrance. In-Wall Entry Steps can be installed on a recessed or on an above ground with deck.

Features & Benefits

- Easy access to enter and exit the pool.
- Increased swimming area for more usable space inside the pool.
- Automatic pool vacs work exceptionally well with the streamline design.
- Easier installation process.

HII policy requires all HII pools be installed with a HII liner to guarantee warranty. Misuse of your pool may result in crippling injury and/or other dangers to life and health. Do not dive or jump. Do not use slides, diving boards, or any other platform or object which can be used for improper pool entry. Use only an above-ground swimming pool ladder to enter or exit your pool. It is your responsibility to secure your pool against unauthorized, unsupervised or unintentional entry.

CHANGE OF DESIGN: HII expressly reserves the right to change or modify the design and construction of any product in due course of our manufacturing without incurring any obligation or liability to furnish or install such changes or modifications on products previously or subsequently sold. **IMPORTANT:** The "No Diving" and other Warning Signage provided must be installed on each pool as indicated in the instructions provided. **NOTE:** In some photos of the pools in the brochure (or website), the "No Diving" and other Warning Signage may not be visible, such Warning Signage must be installed as indicated in the instructions provided. Due to the differences in monitors, device settings, and printers (brightness, contrast, saturation, etc.) there may be a slight difference in color between what is shown on our brochures/website and the final product.

HII is in no way affiliated with any professional pool installer. If you have the pool installed by others, please supervise to be sure they comply with proper installation techniques as shown.
