# Grundfos Circulation Pumps

Hydro-Quip now stocks the following Grundfos circulation pumps that are used in many spa brands

**Original Circ Pump**

Grundfos Circulation Pumps have been completely redesigned with an adjustable volute allowing installation in all plumbing configurations. This revolutionary pump is designed to consume 40% less energy than larger circulation pumps. The Grundfos Circ pumps are compact and lightweight with whisper quiet performance and designed for 24/7 silent operation.

The Original Circ Pumps have been replaced by the Universal Pumps

**Universal 3 in 1 Circ Pump**

The Universal Replacement Pump, a HydroQuip exclusive, has been designed to replace the most popular 3/4" and 1" barb small circulation pumps.
