

- 01 **Slim:** With a sleek, but durable body, the PS Ultra works well in tight spaces
- 02 **Compatible:** Works with all nozzles for easy retrofitting
- 03 **Versatile:** PS Ultra is available in an array of sizes and pre-inserted nozzle options

PS ULTRA SLIM-LINE SPRAY SPRINKLER

PS Ultra is the Slim Spray with All the Features for Any Installation

This compact slim-line spray sprinkler is available in 2", 4", and 6" models. Its innovative body incorporates a reliable two-piece ratchet, durable cap, male-threaded riser, and large filter screen, providing double filtration on 4" and 6" models. Additionally, the 2" and 4" models are retro-compatible with existing PS Spray bodies, which allow for a quick and easy upgrade. Standard PS Ultra models include a pre-installed Pro Adjustable Nozzle. A Flush Plug version is available without a nozzle or filter screen. With so many compatible nozzles to choose from, finding the most efficient solution for any application is simple and easy.
