

The Royal Entrance

by Lumi-O The leader in-pool steps!

Add style to your above-ground pool while improving safety! Compact and practical, The Royal Entrance walk-in stair is specially designed to adapt to varying pool floor levels. What's more, its two anchored handrails give The Royal Entrance added stability.

You'll have peace of mind knowing that the barrier installed under the stair ensures safety while providing ballast. For pools without decks, get The Royal Entrance Plus with an outside ladder attachment. These great features make The Royal Entrance an incredible value.
