

Waterline & Tile Cleaner™

- removes tough sun-baked, oily black scum lines and water marks.
- as simple as spraying on and wiping off.
- no scrubbing needed!

Power Blue™ Water Line & Tile Cleaner

DIRECTIONS FOR USE:

Spray directly on the surface to be cleaned. Lightly brush using Power Blue™ brush, sponge or cloth, and rinse. Safe for all pool & spa surfaces, vinyl fiberglass, acrylic & tile.

Do not use on glass, or allow to completely dry on surface before rinsing.

Persons with sensitive skin may need to use rubber gloves. Not for use on deteriorated or older liners, may remove oxidized print - always spot test first.
