RGBW

Radiant Nighttimes with WaterColors RGBW Lights

Jandy WaterColors pool and spa lights offer energy efficiency in an ultra-slim profile and simple installation. The addition of the White diode to our existing RGB lights will even further enhance the brilliance of the nighttime pool experience by providing a purer white tone. WaterColors are ETL classified and fit into existing niches from Pentair and Hayward as well as Jandy ProNiches.

Pool Control in the Palm of Your Hand

WaterColors LED Lights can be controlled anytime, anywhere with iAquaLink. Colors, settings, and light displays can be selected from virtually any web-connected smart device.

AquaLink/iAquaLink-compatible with its RS485 interface.

- » Dedicated white LED's in addition to Red, Green and Blue LED's
- » Stainless steel housing for corrosion-free performance
- » Choose from nine vibrant colors or five dramatic light shows
- » Microprocessor blended colors for smooth transitions and no moving parts
- » Long life, less than 50 watts of power, available in 120V and 12V versions
- » Controlled by a single light switch or seamlessly interfaces with our Smart Color Control
- » Compatible and compliant for use in all Jandy and most competitive niches
