

Introducing the All New Kawasaki KTECH PRO 50 Oil

- Hydrostatic and diesel CK-4 compatible
- Full synthetic base oils fortified with PAO
- Exceeds API SL and SN, API CK-4 and JASO MA2
- Less oil consumption
- Fortified with Thermally Stable Zinc and PAO

DOES WHAT OTHER OILS *CAN'T*

- **Long-Life Performance:** Long oxidation life to help extend oil performance in extreme conditions
- **Extreme Viscosity Durability:** Unique dual-grade formula provides excellent shear stability
- **Less Oil Consumption:** Reduces oil consumption for decreased chance of engine failure and enhanced user experience
- **Differentiated High Performance:** An innovative dual-grade SAE 50 / 15W-50 oil for the outdoor power equipment market
- **Thermally Stable Zinc:** Utilizes the latest generation zinc that will not break down at high temperature

GENERAL

Oil KTECH Club members will receive KTECH Club Bracket Pricing for oil published between January 1, 2026 and July 31, 2026 with a minimum 42 case order, and qualified by placing a qualifying KTECH Club level oil order on the 25-12 ENG or 25-14 ENG Programs between August 4, 2025 and March 25, 2026.

Tune-Up Kit KTECH Club members will receive KTECH Club Bracket Pricing for tune-up kits published between January 1, 2026 and July 31, 2026 with a minimum 48 kit order, and qualified by placing a qualifying KTECH Club level tune-up kit order on the 25-12 ENG or 25-14 ENG Programs between August 4, 2025 and March 25, 2026.

Kawasaki Motors Corp., U.S.A. ("Kawasaki") reserves the right to allocate orders based on supply chain availability.

Kawasaki 15W-50 oil is currently available in limited quantities. Kawasaki reserves the right to allocate inventory, limit order quantities, or suspend availability at any time without notice to ensure equitable distribution among dealers.

No delayed shipments allowed.

No split shipments allowed.

Items ordered through this program may ship separately.

Actual products may differ from images shown.

Order as often as you like during the program period, however accumulation of order values will not be allowed.

Program orders must be placed with your Kawasaki Sales Representative.

Program orders can not be placed on KawasakiPower.com.

The most current version of this program, including product and pricing updates, may be found on KawasakiPower.com.

All discounts are calculated as a percent off the standard dealer net price for the applicable single-item purchase.

Total discounts will be calculated off net dealer price at time of shipment.

Prices are subject to change without notice or liability. Should standard dealer pricing change during the program period, eligible discounts will apply to new published dealer pricing.

This offer may not be changed by dealer in any way, and no different or additional terms proposed by dealer will be accepted.

This program order can not be submitted as an offsetting order for the Parts & Accessories Exchange Policy.

If a dealer does not take receipt of the entire order, discounts, if applicable, will be charged back to their open account; further, if dealer has selected the delayed payment option, then payment shall be due net 25th prox.

Terms of an order can not be changed once any portion of the shipment has departed Kawasaki.

All orders are subject to credit approval and the dealer's Kawasaki open account must be in good standing at the time of shipment.

All orders are subject to availability and Kawasaki reserves the option to substitute alternate models equivalent to the dealer's ordered product when the ordered product is not available.

Package quantities may apply.

To participate in this program a dealer must be an authorized Kawasaki Engines Dealer.

This program is available in the 50 U.S. States, Guam, and Puerto Rico.

All program elements, interpretation of rules, and substitution, modification or withdrawal of any program elements are at the sole discretion of Kawasaki.

KTECH Fuel Treatment provides customers with three key benefits in every bottle:

STABILIZES:

- KTECH Fuel Treatment can help prevent gumming and stabilizes fuel for up to 24 months.

CLEANS:

- KTECH Fuel Treatment features detergents to clean fuel lines, carburetors, fuel injectors, and intake valves, helping to maximize reliability and fuel economy.

PROTECTS:

- KTECH Fuel Treatment safeguards and preserves metal parts against ethanol-induced corrosion, rust, and oxidation.

Be sure to communicate to customers that the recommended mixing ratio is one ounce of KTECH Fuel Treatment for up to 2.5 gallons of fuel. Each bottle comes with a pouring spout and measuring tool for an accurate pour every time.

Kawasaki Motors Corp., U.S.A. ("Kawasaki") reserves the right to allocate orders based on supply chain availability.

Kawasaki 15W-50 oil is currently available in limited quantities. Kawasaki reserves the right to allocate inventory, limit order quantities, or suspend availability at any time without notice to ensure equitable distribution among dealers.

No delayed shipments allowed.

No split shipments allowed.

Items ordered through this program may ship separately.

Actual products may differ from images shown.

Order as often as you like during the program period, however accumulation of order values will not be allowed.

Program orders must be placed with your Kawasaki Sales Representative.

Program orders can not be placed on KawasakiPower.com.

The most current version of this program, including product and pricing updates, may be found on KawasakiPower.com.

All discounts are calculated as a percent off the standard dealer net price for the applicable single-item purchase.

Total discounts will be calculated off net dealer price at time of shipment.

Prices are subject to change without notice or liability. Should standard dealer pricing change during the program period, eligible discounts will apply to new published dealer pricing.

This offer may not be changed by dealer in any way, and no different or additional terms proposed by dealer will be accepted.

This program order can not be submitted as an offsetting order for the Parts & Accessories Exchange Policy.

If a dealer does not take receipt of the entire order, discounts, if applicable, will be charged back to their open account; further, if dealer has selected the delayed payment option, then payment shall be due net 25th prox.

Terms of an order can not be changed once any portion of the shipment has departed Kawasaki.

All orders are subject to credit approval and the dealer's Kawasaki open account must be in good standing at the time of shipment.

All orders are subject to availability and Kawasaki reserves the option to substitute alternate models equivalent to the dealer's ordered product when the ordered product is not available.

Package quantities may apply.

To participate in this program a dealer must be an authorized Kawasaki Engines Dealer.

This program is available in the 50 U.S. States, Guam, and Puerto Rico.

All program elements, interpretation of rules, and substitution, modification or withdrawal of any program elements are at the sole discretion of Kawasaki.
