

8'-0" Square Stanchion Post

Part Number: 38115 (2 1/2" x .125" square T304 s/s)

Specifications

- ① The stanchion post shall be furnished individually and shall be fabricated from ASTM A-554 certified 2 1/2" x .125" Square Type 304 stainless steel polished to a 320 grit finish.
- ② An end cap with welded u-hook shall be provided on the end of the stanchion post.
- ③ The stanchion shall be anchored in 6" deep anchor sockets (not included), which shall be fully imbedded in a concrete deck. The stanchion shall be removable without the use of tools.
- ④ A rope cleat is provided for anchoring.

General

The stainless steel shall be electro-chemically passivated on all worked areas for maximum corrosion resistance. All hardware shall be 18-8 stainless steel. Custom designs and modifications are available upon request.
