Pro-S™ Sprays

The result of precision engineering and extensive field testing by contractors around the world, the Pro-S™ is designed to provide long life and outstanding performance. Distinguished by their robust construction, co-molded wiper seal, and heavy-duty retraction spring, Pro-S™ pop-up sprays are built for reliability and durability. The co-molded wiper seal ensures proper operation time after time with minimal flow by. The retraction spring is the strongest in the industry. That means successful pop-ups you can count on time after time.

Specifications					
Pressure Rating	20-110 PSI (1,4-7,6 bar)				
Flow-by	0 – 8 PSI (0,6 bar) 0.20 GPM (0,76 LPM)				
Inlet	1/2" Female Thread				
Riser Height	1 1/2"	2 1/2"	3 1/2"	5 1/2"	11 1/2"
Retracted Height	4 3/8"	5"	6"	9 3/8"	16"
Nozzle	Female Threaded				
Side inlet				●	●
Warranty	7 years	7 years	7 years	7 years	7 years
Options					
Check valve	●	●	●	●	●
Nozzle guard	●	●	●	●	●
Pressure regulation (30 PSI)			●	●	●
Pressure regulation (40 PSI)			●	●	●
Reclaimed water use	●	●	●	●	●
Stop Flow™			●	●	●
Available with no side inlet				●	

Models

PART #	DESCRIPTION
78002	Pro-S™ 2" Pop-up
78003	Pro-S™ 3" Pop-up
78004	Pro-S™ 4" Pop-up
78006	Pro-S™ 6" Pop-up with side inlet
78012	Pro-S™ 12" Pop-up

How to Specify

MODELS	OPTIONS	
78002	-CV	▶ Check Valve
78003	-GUARD	▶ Nozzle Guard
78004	-NSI	▶ No side inlet (6" only)
78006	-PR30	▶ Pressure regulation 30 PSI
78012	-PR40	▶ Pressure regulation 40 PSI
	-RCW	▶ Reclaimed Water use
	-SF	▶ Stop Flow™

Examples: 78004-CV, 78006-NSI-RCW, 78012-CV-PR30

NOZZLE GUARD OPTION

1,000's of gallons of water can be wasted every year due to one broken spray head.
Protect nozzles from foot traffic, mowers, edgers and arc changes with a K-Rain Nozzle Guard

No Nozzle Guard

With Nozzle Guard

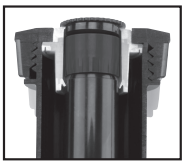

STOP FLOW™ OPTION

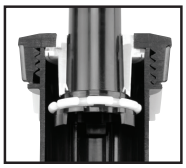

Stops water flow if the nozzle is damaged or removed
Available in 4" and 6" models and with Pressure Regulation

CO-MOLDED WIPER SEAL

Ensures a leak free, full pop-up operation even under low-pressure situations. The unique cartridge design features a carefully selected material to prevent degradation and stick-ups.

BEST IN THE INDUSTRY
WARRANTY 7 YEARS

look for WaterSense Meets EPA Criteria

All pressure regulated Pro-S™ Sprays are EPA WaterSense certified.
