## Shibui: [shi-bu-e]

*adjective*

origin: Japanese

1. *austere; elegant; refined; quiet; tasteful; understated; subtle*

The Shibui collection takes inspiration from the Japanese aesthetic of beauty that celebrates subtlety and simplicity. Elegant and tranquil on the surface, there is more to Shibui than meets the eye. The contemporary, smooth-edged tiles are handmade by artisans who stretch and pull together layers of transparent and opaque glass to create complex variations in shade, tone and texture. Shibui's dual nature captivates in 14 colors and two finishes.
