

BEAST BLADES

Porcelain Reinforced Hub PRO SERIES

Ideal for cutting hard dense porcelains!
Fast Clean Cut!
Long Life!

The Beast porcelain tile blades are designed to cut porcelain, marble, granite and ceramic tiles. The thin kerf cutting edge allows for a clean, fast cut with virtually no chipping. The Beast porcelain tile blades are engineered with a reinforced silent core hub which ensures straight cuts and greatly reduces noise.

- Reinforced Hub variation of our popular Beast Pro Porcelain Series
- Wet use only

APPLICATIONS: Porcelain Tile, Ceramic Tile, Marble, Granite

FOR USE ON: Tile Saw, Circular Saw, Hand Grinder
