

BCR 180/7MG HANDHELD CORE DRILL

The new lightweight BCR180/7MG Handheld core drill offers the most efficient solution to just about any drilling job you need to tackle. Use it for wet or dry drilling, handheld or on a drill stand. For bit diameters up to 7" wet or dry.

FEATURES

- Versatile: Use wet or dry, handheld or rig mounted
- Midgrip
- Powerful 2400W motor
- Larger wet Drilling range; up to 7"
- Latest Generation RGB LED's
- Soft start
- New Electronic safety clutch
- Redesigned mechanical safety clutch, manufactured from new special steel composition
- 360 rotating water connection
- data retrieval option

TECHNICAL SPECIFICATIONS

Bit Range	Wet Handheld Drilling in Concrete:	5/8" - 2-3/4"
	Wet Drilling on Drill Stand	5/8" - 7"
	Dry Handheld Drilling in Masonry	1-7/16" - 7"
Diamond Core Bits	HiSpeed Crown/ Segmented/ DrySpeed	
	Standard Bit Lengths	5-15/16" - 15-3/4"
	Max Bit Length	19"
Gear Selection Wet	Speed 1:	2-3/4" - 7"
	Speed 2:	1-3/8" - 2-3/4"
	Speed 3:	5/16" - 1-3/8"
Gear Selection Dry	Speed 1:	4-13/16" - 7"
	Speed 2:	2-3/8" - 4"
	Speed 3:	1-7/16" - 2-3/8"

Motor	Power:	2,400 W
	Voltage:	115 V
	Frequency:	50 Hz
	Spindle Threading:	1" - 1-1/4" Combi
	Gearing:	3-Speed
Dimension & Weight	No Load Speed	780 - 1.690 - 3.520 rpm
	LxWxH	16.93" x 15.94" x 11.61"
	Weight:	6,8 kg
Safety Features		RGB LED motor overload indicator Pulse electronic motor protection system Electronic safety clutch GFCI Switch water flow indicator
