

ARCHITECTURAL RESURFACING

LEGACY COLOURANT™

Description

Legacy Colourant™ is an engineered blend of ColorFlo™ and proprietary components designed specifically as color admixtures for the Artisan Overlay™, Perfetto-Espray™ and Venetian Micro-Topping™ product lines. This non-hazardous, water-based formulation permits easy cleanup and hassle free shipping. Strict One Delta E standards ensure color uniformity and consistency, and UV resistance is standard in Legacy products. Legacy Colourant™ is available in 20 Classic Series and 8 Signature Series colors, packaged in 10 oz. bottles. See the Legacy Colors' Color Card for a complete list of available colors, in both standard and designer color formulas.

Unlimited color combinations

Non-hazardous

Easy shipping
