C7

Maytronics – The trusted name for commercial pool cleaners

Powerful Heavy-Duty Performance

Powerful cleaning performance with exceptional reliability. Maytronics commercial robotic pool cleaners promise, and deliver a long-term, cost-effective operation.

Professional Pool Cleaning

Advanced technologies provide comprehensive scanning of the entire pool and highly effective pool brushing and filtering throughout, for clean, safe, and pure pool water.

Solution for every public pool

With a proven solution for any commercial pool, from small public pools to the largest and professional pools worldwide- Maytronics is the ideal pool cleaner choice.

Service and Support

When you buy a Maytronics pool cleaner, you are also purchasing exceptional customer service and support by Maytronics product experts.

Dolphin C7

The trusted name for commercial pool cleaners

Extra-wide for maximum cleaning efficiency, the Maytronics Dolphin C7 is the perfect solution for large universities, fitness clubs, YMCAs, and resort pools up to 105 feet, including those with beach entry. The C7 helps minimize downtime due to cleaning with its plug-and-play, fully automated operation, and multiple cleaning options, keeping your pool open for guests to enjoy. With a wide cleaning path of 22 inches, the C7 excels at floor scrubbing and heavy-duty dirt collection, for an ultimate clean swimming pool.

Plug-and-play operation

Extra-wide cleaning path

Fine cartridge filtration system

Caddy for easy storage and transporting

Low energy consumption

Remote control
