

wave100

Maytronics – The trusted name for commercial pool cleaners

Powerful Heavy-Duty Performance

Powerful cleaning performance with exceptional reliability. Maytronics commercial robotic pool cleaners promise, and deliver a long-term, cost-effective operation.

Professional Pool Cleaning

Advanced technologies provide comprehensive scanning of the entire pool and highly effective pool brushing and filtering throughout, for clean, safe, and pure pool water.

Solution for every public pool

With a proven solution for any commercial pool, from small public pools to the largest and professional pools worldwide- Maytronics is the ideal pool cleaner choice.

Service and Support

When you buy a Maytronics pool cleaner, you are also purchasing exceptional customer service and support by Maytronics product experts.

wave100

The trusted name for commercial pool cleaners

Powerful with a purpose, the Maytronics Wave 100 commercial robotic pool cleaner was designed for mid-sized pools up to 88 feet, such as those found in gyms, fitness clubs, YMCAs, and water parks. The Wave 100 saves valuable time when it comes to maintaining your facility pool with its easy operation and multiple cleaning options. This robot ensures comprehensive cleaning with its superior filtering capabilities, and highly effective scrubbing of the floor, walls, and waterline. With the Wave 100, you can rest assured your guests are swimming in clean, healthy water.
