Our People

All of us at "Team Merlin" would like to thank you for your interest in our products. We take pride in what we do every day and we look forward to making another Professional Pool Product for your swimming pool or spa.

Our Technology

Your pool liner is being manufactured with the latest in design, cutting and manufacturing technology. At Merlin, we continue to update and develop new and better ways to manufacture our products.

Our Impact

Merlin's corporate headquarters has gone Solar! Over 1450 solar panels provide power to our building and prevent the equivalent of the annual greenhouse gas emissions of 62.9 passenger cars or 47.6 homes!

Your Merlin Professional Pool Liner Dealer

Your Best Choice

2015

Merlin - Your Best Choice.

The Merlin name is your assurance of a professional product - the best value for your investment to be found anywhere. Our products are your best choice because they are better designed to meet your needs ... better manufactured with better materials to withstand the elements ... and better supported over their lifetime. It's more than a claim; it's a mission that inspires everyone in our company to perform to the highest possible standards. After all, isn't your family and your investment worth it?

Professionally-designed.

Appearance and quality construction come together beautifully in a Merlin pool liner. It all begins with the pattern design; many of our patterns are Merlin "signatures," developed in collaboration with professional designers whose creations reflect the latest home decor and color trends. The result is a liner certain to make your pool the centerpiece of your backyard and the talk of the neighborhood!

All Blue Lagoon Bottom Shown

Tex-Step

Textured vinyl is now available in these bottom patterns:

White, Blue, Blue Pebble, Jamaica, Ocean Pebble AQUA MAX, Blue Lagoon, Golden Sand, Outer Banks, Crescent Bay, Tobago, Sea Blue, Palm Harbor, Coral, Blue Reef, Black Sand, Blue Cove AQUA MAX, East End Granite, Port Royal, Santa Rosa, Prince's Bay, Miramar, Silver Beach, Aventura Bay, and Glacier Bay.

(Tex-Step colors vary slightly from normal vinyl print colors due to the texture. Tex-Step up-charges apply.)

Merlin also offers steel drop-in steps for pools originally built without steps. Ask your dealer for more information about Merlin Easy Entry Steel Steps.

The Best Fitting Liners in the Business.

Merlin pool liners are custom-designed for your pool to provide the best possible fit and durability. Our designs are specific for your pool and do not rely on extreme stretch to fit. Each liner is CAD-designed and custom manufactured to accommodate steps, angles, objects and unique configurations. We are the manufacturer of some of the most unique vinyl liners in the world including liners featuring options like bar stools, tanning ledges, negative edges, lap lines, even a liner made to look like a major league baseball field and one resembling a basketball court!

Silk Seam

Merlin even has your seams covered. Our Silk Seam process creates a flatter seam that is easy on your feet and is less likely to catch debris.

Your Best Choice

Upgrade to Aqua-Max vinyl - truly different, truly better!

For years, pool owners have been looking for a better pool liner only to be told that all they can get is a thicker vinyl liner. Higher gauge liners are still subject to the same Ultraviolet, Chemical and Heat damage as standard 20 mil liners. Now, only from Merlin Industries, Inc. comes 20 Mil Aqua-Max vinyl liners!

Aqua-Max liners are specially formulated to provide greater Ultraviolet resistance and far greater resistance to today's pool chemical systems and occasional chemical misuse. Aqua-Max vinyl also contains over twice as much anti-fungal and anti-bacterial protection than standard vinyl liners.

Aqua-Max vinyl liners are truly a better vinyl liner. Demand an Aqua-Max vinyl liner, only from Merlin! (*Aqua-Max Up-charge applies)

Chemical and Bleach Resistance Test Results

(Exposure to 5000 ppm Tri-Chlor Chlorine Solution For 24 hours)

UV and Weathering Resistance Test Result

(Exposure to Xenon Arc Lamp)

Colors and tile aspects may differ from images shown.
