

**CALCIMEXICANA S.A DE C.V**  
**SDS SHEET**

*The safety data sheet of the dangerous chemical substance or mixture must have the following sections and information:*

**SECTION 1. Identification of the hazardous chemical substance or mixture and the supplier or manufacturer:**

Name of the dangerous chemical substance or mixture.	FILLER SAND
Other means of identification.	DOES NOT APPLY
Recommended use of the hazardous chemical or mixture, and restrictions on	DOES NOT APPLY
Details of the supplier or manufacturer	CALCIMEXICANA S.A DE C.V
Telephone number in case of emergency.	4412773116

**SECTION 2. Hazards identification:**

	PICTOGRAM	KEY	DESCRIPTION
Classification of the hazardous chemical substance or mixture, as indicated by the GHS. See Appendix A, Physical and Health Hazard Communication Elements and any national or regional information.		GHS 08 Health Hazard	Sens. Resp. H334: May cause allergy or asthma symptoms or breathing difficulties if inhaled.
Signage elements, including precautionary advice and precautionary pictograms. See Appendices A and B, and		GHS 07	Cut Sens. H317: May cause an allergic skin reaction. H320: Causes eye irritation.
Otros peligros que no contribuyen en la clasificación.	DOES NOT APPLY		

**SECTION 3. Composition/information on ingredients:**

**For substances**

i. Chemical identity of the substance.	FILLER SAND (CaCO <sub>3</sub> )
ii. The common name, synonyms of the dangerous chemical substance or mixture.	DOES NOT APPLY
iii. At least the CAS number, and UN number among others, and	DOES NOT APPLY
iv. Impurities and stabilizing additives that are in turn classified and that contribute to the classification of the substance, and	DOES NOT APPLY

**For mixtures**

The chemical identity and the concentration of all dangerous components are according to the criteria of this standard.	DOES NOT APPLY
For hazardous chemicals and mixtures considered to be confidential business information, It would help if you expressed it as such.	DOES NOT APPLY

**SECTION 4. First aid:**

1) Description of first aid;	<b>EYE CONTACT:</b>	<b>WASH WITH PLENTY OF WATER AND GO TO THE</b>
	<b>SKIN CONTACT:</b>	<b>WASH AND LUBRICATE</b>
2) Most important symptoms and effects, acute and chronic, and	DOES NOT APPLY	
3) Indication of the need to receive immediate medical attention and special treatment.	IF DISCOMFORT PERSISTS, SEE YOUR DOCTOR	

**SECTION 5. Fire-fighting measures:**

1) Appropriate extinguishing media	USE A FIRE EXTINGUISHER IN CASE OF FIRE DUE TO IMPROPER HANDLING OF PACKAGING OR PACKAGING (RAFFIA SACKS, PAPER AND WOODEN PALLETS). IN CASE OF FIRE, USE FIRE EXTINGUISHER, GLOVES, GLASSES, FIRE-FIGHTING SUIT, MASK.
2) Specific dangers of the dangerous chemical substances or mixtures	IT IS NOT LIQUID AND IS NOT CAPABLE OF CAUSING FIRE BY FRICTION, MOISTURE ABSORPTION, OR SPONTANEOUS CHEMICAL CHANGE UNDER NORMAL CONDITIONS OF TEMPERATURE AND PRESSURE.
3) Special measures to be followed by firefighting groups.	IT DOES NOT PRODUCE BIOLOGICAL EFFECTS, DOES NOT CONTAIN MICROORGANISMS OR TOXINS.

**CALCIMEXICANA S.A DE C.V**  
**SDS SHEET**

**SECTION 6. Measures to be taken in case of an accidental spill or accidental leak:**

1) Personal precautions, protective equipment, and emergency procedures.	USE OF MASK (MASKS, GLASSES)
2) Precautions related to the environment, and	FINISHED PRODUCT OF NATURAL ORIGIN
3) Methods and materials for the containment and cleaning of spills or leaks.	DOES NOT APPLY

**SECTION 7. Handling and storage**

Precautions to be taken to ensure safe handling	AVOID CONTAMINATION WITH OTHER MATERIALS
Conditions for safe storage	TORN SACKS SHOULD NOT BE HANDLED.

**SECTION 8. Exposure controls/personal protection:**

1) Control parameters	DOES NOT APPLY
2) Appropriate engineering controls, and	DOES NOT APPLY
3) Individual protection measures, such as personal protective equipment, PPE.	USE OF MASK (MASKS, GLASSES)

**SECTION 9. Physical and chemical**

Appearance (physical state, color, etc.);	POLVO BLANCO LIBRE DE
Odor.	INOLORO
Odor threshold.	DOES NOT APPLY
Hydrogen potential, pH.	9.7 a 23.1 °C
Melting point/freezing point.	DOES NOT APPLY
Initial boiling point and range.	DOES NOT APPLY
Flash point.	DOES NOT APPLY
Evaporation rate.	DOES NOT APPLY
Flammability (solid/gas)	DOES NOT APPLY
Upper/lower flammability or explosive limit.	DOES NOT APPLY
Vapor pressure.	DOES NOT APPLY
Vapor density.	DOES NOT APPLY
Relative density.	DOES NOT APPLY
Solubility(ies)	INSOLUBLE
Partition coefficient n-octanol/water.	DOES NOT APPLY
Autoignition temperature.	DOES NOT APPLY
Decomposition temperature.	DOES NOT APPLY
Viscosity.	DOES NOT APPLY
Molecular weight, and	DOES NOT APPLY
Other relevant data.	DOES NOT APPLY

**SECTION 10. Stability and reactivity:**

1) Reactivity	DOES NOT APPLY
2) Chemical stability	DOES NOT APPLY
3) Possibility of hazardous reactions	DOES NOT APPLY
4) Conditions to be avoided	DOES NOT APPLY
5) Incompatible materials	DOES NOT APPLY
6) Hazardous decomposition products.	DOES NOT APPLY

**CALCIMEXICANA S.A DE C.V**  
**SDS SHEET**

**SECTION 11. Toxicological information:**

1) Information on likely routes of entry;	DOES NOT APPLY
2) Symptoms related to physical, chemical and toxicological characteristics;	DOES NOT APPLY
3) Immediate and delayed effects, as well as chronic effects from short- and long-term exposure	DOES NOT APPLY
4) Numerical measures of toxicity (such as acute toxicity estimates);	DOES NOT APPLY
5) Interactive effects;	DOES NOT APPLY
6) When specific chemical data is not available;	DOES NOT APPLY
7) Blends;	DOES NOT APPLY
8) Information on the mixture or its components, and	DOES NOT APPLY
9) Other information.	DOES NOT APPLY

**SECTION 12. Ecotoxicological information:**

1) Toxicity;	NON-TOXIC NATURAL
2) Persistence and degradability;	NATURAL PRODUCT
3) Bioaccumulative potential;	FRIENDLY TO HIM
4) Mobility in soil, and	ENVIRONMENT
5) Other adverse effects.	NON-TOXIC NATURAL

**SECTION 13. Information regarding product disposal:**

Description of the waste and information on its safe handling and disposal methods, including disposal of contaminated containers.	DOES NOT APPLY
--	----------------

**SECTION 14. Transport information:**

1) UN number;	DOES NOT APPLY
2) UN proper shipping name;	DOES NOT APPLY
3) Transport hazard class(es);	DOES NOT APPLY
4) Packing/packaging group, if applicable;	DOES NOT APPLY
5) Environmental risks;	DOES NOT APPLY
6) Special precautions for the user, and	DOES NOT APPLY
7) Transport in bulk in accordance with Annex II of MARPOL 73/78 and the IBC Code (IBC).	DOES NOT APPLY

**SECTION 15. Regulatory information:**

Specific provisions on safety, health and the environment for the hazardous chemical substances or mixture in question.	DOES NOT APPLY
---	----------------

**SECTION 16. Other information including that relating to the preparation and updating of safety data sheets:**

The safety data sheet shall have the following legend: The information is believed to be correct, but it is not exhaustive and is to be used only as a guide, which is based on current knowledge of the chemical substance or mixture and is applicable to safety precautions. appropriate safety for the product.

The data expressed here does not constitute any guarantee of any special lot, corresponding to the laboratory, therefore we do not guarantee the duplication of the results due to changes in conditions and parameters used in tests.
