

Stain and Scale Control for Regenerative Filter Media

Discover why this is the future of commercial water maintenance

Natural Chemistry's **PRO SERIES® Stain and Scale Control™** is a highly concentrated scale control product that works to help prevent or eliminate scaling.

Sizes Available

1 gallon sku #20701
5 gallon sku #20705
55 gallon sku #07555

PRO SERIES Stain and Scale Control

- Reduces problematic scaling that can otherwise occur on the septums
- Helps extend the run time between filter cleanings and bumping due to scale buildup
- Helps to maximize efficiency

Dosage information:

Initial dose: Add 32 oz per 10,000 gallons

Maintenance dose: Add 5 oz per 10,000 gallons of water per week or month depending on sanitizer and/or water balance.

Check out our **PRO SERIES® ProZymes Pool®** maintenance product to reduce or eliminate oils and other non-living organic buildup from accumulating on the septums.
