

De Terra™....from the earth. Now you can mix and match our Classicstone™ flags with this beautiful range of natural stone pavers. Add warmth and style to your pool decks and driveways to create the ultimate curb appeal.

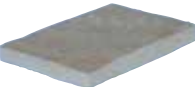

De Terra™ Stone Pavers

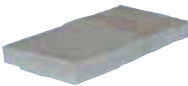

Our natural sandstone pavers are sawn on 4 sides and tumbled creating an attractive rustic look. The pavers come in project packs that consist of 3 different sized pavers and are available in a choice of 4 colors. The standard thickness of each paver is 3cm (30mm), making them suitable for residential projects only, however thicker pavers are available to special order. Please note that all product sizes, weights and coverages stated throughout this brochure are nominal.
