

C220LED

Cove has a hot tub for everyone! The standard line of Cove Hot Tubs come with 4 KW heaters, Ozonater, and Deluxe LED light packages.

Cove's 4 KW inline heater provides fast and convenient heating and recovery time for those cold climates, where enjoying your hot tub is the best way to spend time in the great outdoors.

The Deluxe LED light package includes outside cabinet lighting along with more vibrant inside LED lighting to set the mood for relaxing and the relief of stress by the use of chromo therapy. Square sided models include an adjustable LED waterfall to help enhance your relaxation time.
