Ah! That sensation of relaxation and sore muscles being soothed by the warm swirling water in your own backyard getaway.

Cove Hot Tubs bring stress free enjoyment because they are manufactured with you, the consumer, in mind. All Cove Hot Tubs are manufactured with the highest quality components and manufactured in the USA, with over 20 years of experience.

Some of life's best experiences start with being simple and easy. It does not get any more simple than placing your spa on a flat, supportive surface, filling it with a normal garden hose, and plugging in the attached cord to any standard outlet.
