

HERITAGE COLLECTION

CASTLEMANOR® GRANA

RETAINING | FREESTANDING

The smooth face and clean lines of this versatile multi-piece wall system bring time-worn character to moderate height retaining walls, terraces and other hardscape features.

AVONDALE

TEAK

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at Belgard.com/Warranty

FEATURES & BENEFITS

- Rustic look of weathered cut stone
- Multi-piece wall system for increased installation flexibility
- Ideal for small freestanding walls, parapet walls, seat benches, pilasters, columns and outdoor living environments
- Build curved or straight, freestanding or retaining walls
- Each unit can be used as an exposed end unit or a 90° corner unit for less cuts
- No patterns required for random look
- Used for gravity walls up to 2.5 feet* at a near vertical batter or 3 feet* using the 9.5 degree batter/1 inch setback per unit option.
- Taller walls can be built using geosynthetic reinforcement when designed by a qualified engineer.
- Minimum outside radius of 5 feet
- Minimum inside radius of 3 feet

**Gravity wall heights are based on project specific conditions and may be lower than this value.*
