

ASHLAR

INNOVATIVE AND EASY TO USE

Proline's beautiful granite and slate textures in the Ashlar pattern are traditional yet innovative. The mats come in three textures designed for running in rows. The precisely fitting edges require a minimum of detail work.

ASHLAR ROTATING MATS

PROLINE CONTINUES TO INVENT

Our unique rotating mats for the Ashlar pattern have been designed to give a highly random pattern and realistic design with a simple rotational change. Modeled from real stone, the resulting surface is a beautiful rendition of slate and stone in three textures. Tight tolerances between mats result in less detail work and to speed up installation, each mat is marked on the back for rotation.
